### The Future belongs to those who Dream.

The future belongs to those who believe in the beauty of their Dreams and Make it a reality. Vision and Mission applied at Frontline Logistics since its inception in the year 2009.

Challenges were and are in plenty. Its almost Mission Impossible! However beating all the odds, our services are continuing and growing. World is now learning to exist with Covid or Omicron around. Just concluded WCA Middle East Regional Conference in Dubai, UAE, which was attended by over 550 worldwide delegates, is an example. We too from Frontline Logistics, attended this conference and met over 100 plus Logisticians, which was missed since past 30 months. Frontline group's own new creation - Apatha Ayurvedic Therapy Center at Eramangalam, Kerala inaugurated on 13th March 2022, is also an example to show the world that we are slowly but surely, coming back to normal.

I am pleased to present the news articles of our own offices since past 3 months. Happy reading.

## Frontline Academy of Logistics - Convocation.

Convocation Day is the highlight of a student life as it marks the culmination of their academic life. It signifies progress, growth, and transformation, meaning the student is matured and is set to start a new chapter in life.

The most awaited Convocation 2021-22 of Frontline Academy of Logistics was held at Eramangalam Kerala with great pompous and

celebration. It earmarked a tradition which was long forgotten due to the pandemic.

It was an exciting opportunity for the students of our first two batches to celebrate their accomplishments and for all the hard work they had put into learning. The faces of our graduating students showed a mix joy and excitement for the future with the sadness of separating from friends. A bright future awaits them all.

It was attended by a huge gathering of parents, students and dignitaries from universities, Academic Institutions and political fraternities. This event marked the beginning of a new era in the logistics training arena. Frontline Logistics absorbed 14 of our students for employment, with three students being employed in different logistics firms and rest opted to move to the GCC in search of better pastures with confidence.

Students were provided with International and accredited certificates from SDB, UK and STED Council, and were also issued certificate of completion and an experience certificate of six months from Freight Connect Solutions.

Ms Salihath and Mr Sattar received the best student award of the year for their outstanding performance in academic and attitude respectively.

The program was presided by Mr. B.P. Nassar (MD) Frontline Logistics Group, Mr. Mujeeb Rehman – Dean Frontline Academy and concluded with the vote of thanks by Mr. Sunil Kumar (Group Hr- Frontline Logistics Group).
