

## Frontline Focus 2018 at our BEO

### From the Editors desk

#### Some people Dream of Success

While the others, wake up & work hard for it. As demonstrated by directors of Frontline Logistics in the past 9 years, which has now resulted us in spreading in 7 countries and many more are expected. Icing on the cake is

our own ultra-modern 5 story building that was inaugurated on 12th of May 2018, in a small village called Eramangalam, Kerala which can accommodate around 200 staff and destined to become HQ for the Group.

It was also matter of pride that, 1st Q Regional Meeting was held between 13th to 16th May, in this newly inaugurated Building, surrounded by natural scenic beauty. This edition of Footprints will provide much more news of the event that happened in the past 3 months including our HQ inauguration. Happy Reading.
